A PRODUCT OF VALVOLINE INC. USA

VALVOLINE ALL FLEET PREMIUM

Valvoline All Fleet Premium engine oil is designed to provide advanced lubricant performance in modern, low emission diesel engines, including those with EGR, operating under a wide variety of service conditions. The advanced product technology offers a long life and extended drain capability. The balanced formulation helps to maximize the engine durability.

Valvoline All Fleet Premium is recommended for use in various models of HCVs, MUVs and LCVs running on diesel engines.

THE ALL FLEET PREMIUM ADVANTAGES

- Unique dispersive polymer technology (DPT) with premium Group II base oils, provide advanced soot control and cold start protection.
- Valve train wear protection and reduced oil filter restriction at high soot levels.
- High temperature deposit control, including single and two-piece pistons and ring/liner wear protection.
